

Friends of the Slidell Police Foundation (FOSPF) is a 501(c) 3 non-profit corporation formed in 2018 by local business leaders, which raises funds to support the Slidell Police Department (SPD) in ways that the City budget cannot. All membership dues, donations by companies and individuals, and earnings from FOSPH events are invested to nurture and support the special relationship between SPD and the Slidell community. Examples include: a tragedy fund to support the families of slain or severely-injured officers; veterinary expenses for retired police dogs under the care of their officer handlers; boarding for the Slidell Police mounted patrol; and special equipment and training for SPD officers.
